OPTIONAL ACCESSORIES

THE PROFESSIONAL DURABILITY YOU EXPECT FROM A WATER TRAILER.

Experience a professionally designed and manufactured 1025 gallon water trailer with the all new WT-1000 Series. Your water hauling application requires durability, reliable performance and durable components that stand up to your daily fresh water distribution needs. The WT-1000 Series delivers. Like all of our pump products the WT-1000 Series cuts no corners. You get a fully galvanized trailer frame, diamond plate galvanized deck and top quality components to make your equipment investment pay off.

PROFESSIONAL WATER TRAILERS USING PREMIUM COMPONENTS - THE WASTECORP ADVANTAGE.

HIGH QUALITY COMPONENTS

Your Wastecorp WT-1000 Series is designed and engineered with innovative features like standard hose and accessory storage, brass valves, helix hosing and professional water distribution hosing.

CORROSION RESISTANT TRAILERS AND DECKS

A unique advantage of Wastecorp's WT-1000 Series is that we galvanize all of our DOT approved models. This means that the trailer frame and diamond plate deck gets protected from weather and so does your investment.
